

OUTWARD BOUND OMAN™
unlocking human potential

MUSCAT TRAINING CENTRE

OUTWARD BOUND OMAN MUSCAT TRAINING CENTRE

THE CAPITAL'S NEW TRAINING HUB!

Our urban training centre and administrative headquarters, constructed with the support of His Majesty Sultan Qaboos bin Said on land generously donated by His Excellency The Minister of Social Development, opened in March 2020 with:

- Two fully equipped training rooms
- Large outdoor courtyard
- Lecture theatre
- Indoor climbing and challenge wall

The centre is a unique, inspiring and accessible venue for training, meetings and short courses.

LEADERS IN EXPERIENTIAL LEARNING

Outward Bound Oman are leaders in the region for the development of human capital. Over **16,000** participants have undertaken courses with Outward Bound Oman, and the organization is well-versed in delivering impactful experiential training courses that deliver real outcomes.

COURSES DESIGNED TO DELIVER YOUR NEEDS

PEOPLE

With 94% of our instructors being Omani – we understand the needs of our local community. As well as being experienced in running outdoor programmes safely, our staff know best how to create and deliver programmes in our Muscat Centre to match your group's specific learning objectives and desired outcomes. Trained both in Oman and overseas our staff are able to deliver memorable, immersive professional development courses.

PLACE

Located in Al Khoud 6, in addition to acting as an administrative headquarters for Outward Bound Oman, our Muscat Training Centre has been carefully designed to be a flexible, versatile and thought provoking training facility for groups, and as a unique and accessible venue for off-site meetings and staff training courses. Inspiring monthly adventure lectures open to the public will start in 2021.

PROCESS

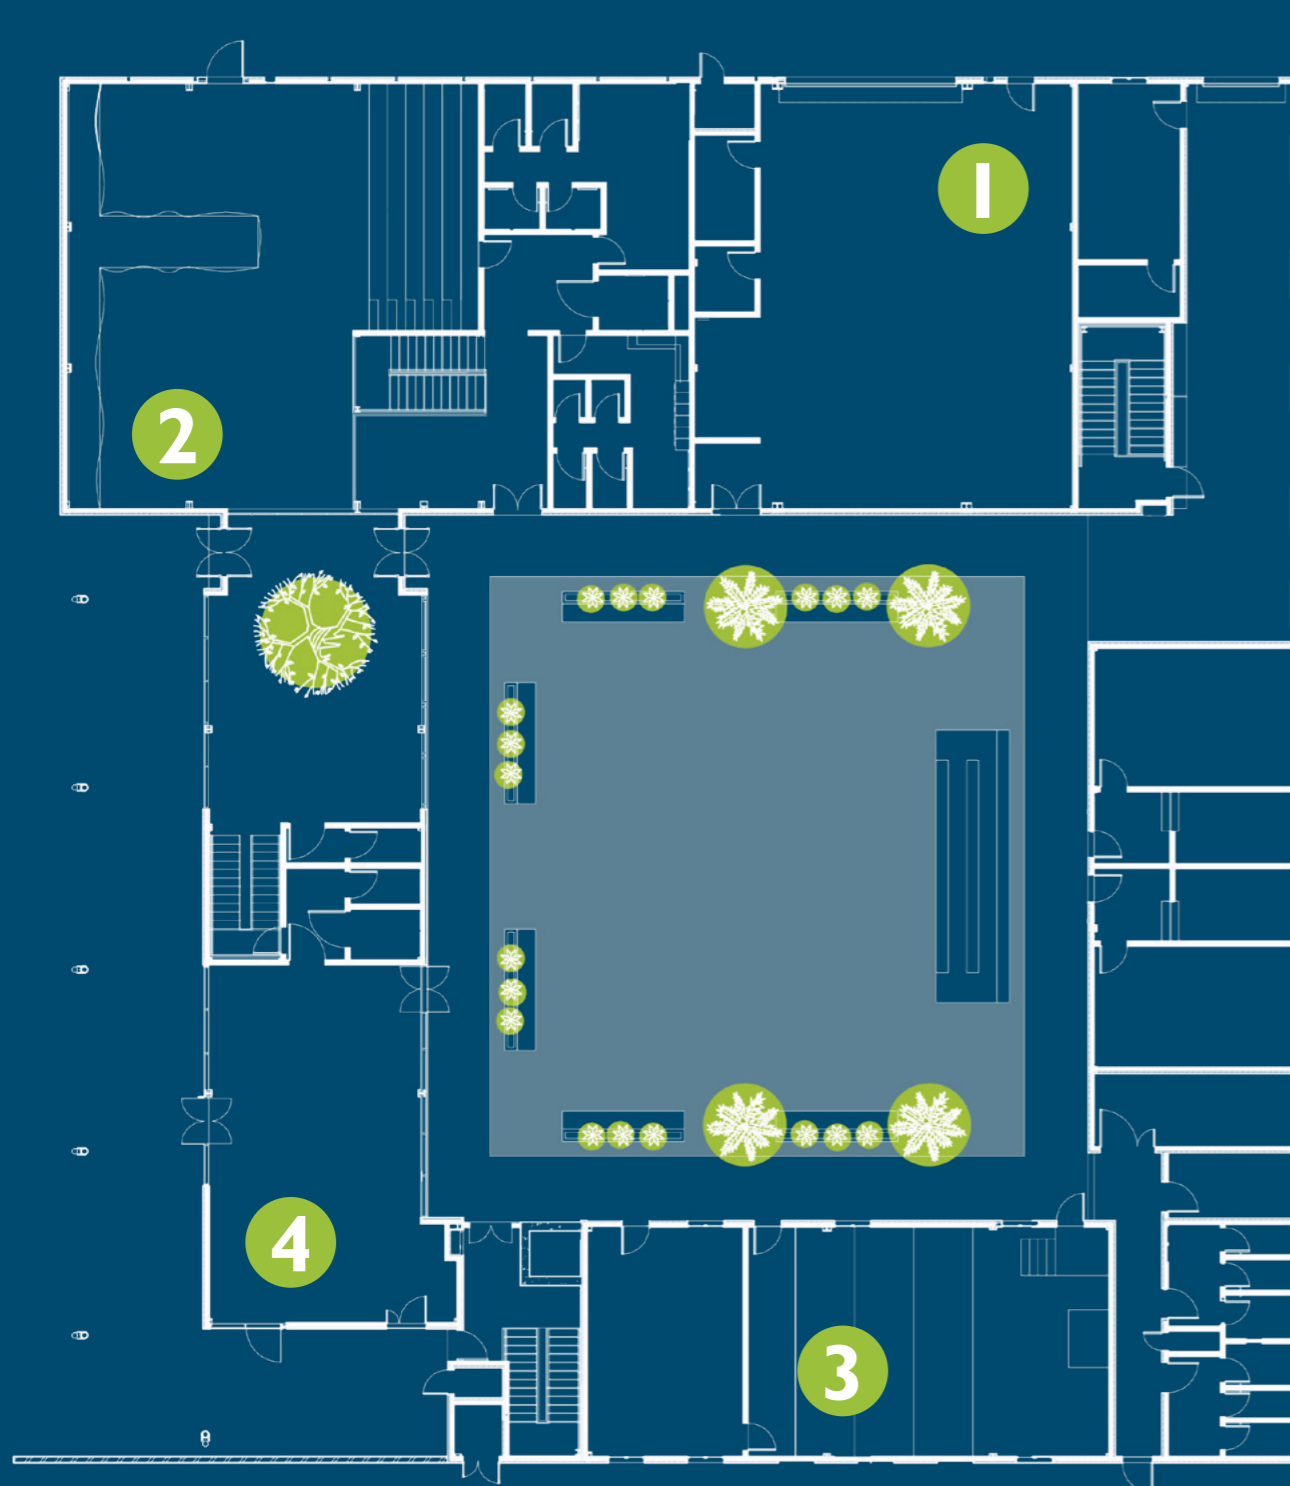

With a history of more than 80 years, Outward Bound courses focus on experiential learning and development where a motivated and ready learner is placed into a physical environment that is contrasting, novel and therefore stimulating. The practical application of theoretical models provides continuous opportunities for reviewing and reflection in a safe and controlled environment where solutions to challenges and issues can be identified and agreed.

A CENTRE FOR ALL

A Highly Flexible and Versatile Venue for an Inspiring Training and Learning Experience!

By booking our Muscat Centre for your events and training you will have the benefit of utilising more than just a room. We understand your necessity for break out rooms when planning discussions and activities in sub-groups, and have indoor and outdoor areas available within the facility, as well as an optional area for meals. Outside catering can be provided with a selection of menus to suit your needs.

WE CHANGE LIVES

The Hahn Room is our main training hall which is considered as a multi-purpose room that can fit up to 150 persons at a time. The room seating can be arranged according to the type of training required and your preference. The Hahn room is equipped with modern audio-visual systems, chairs, tables, mobile pinboards and white boards. All of our training rooms are enriched with inspiring and thought-provoking posters to enhance your learning experience, and create positive mindsets.

THE HAHN ROOM

226 sqm

150 people

2 CLIMBING WALL

Biggest in Oman

30 routes

Our exclusive climbing wall, the biggest of its kind in the country is designed and installed by a professional company in France. The wall is set up with over 30 routes of varying climbing grades to challenge all age groups and abilities. The leap of faith is the ultimate challenge to show your commitment to the positive changes you will make in your life, and your ability to overcome your own limitations.

The room acts as a unique meeting venue and contains fixed seating to address groups of up to 60 people.

The Audio-Visual room (AV) is fully prepared with high quality audio-visual systems to provide the best theatre experience for the audience. The seating is arranged as theatre style and can accommodate up to 60 people at a time.

The room can be utilised for a variety of events such as seminars, speeches, events and presentations.

3 AV ROOM

90 sqm

70 people

The Holt room is designed for a smaller group of up to 25 people, and is perfect for open discussions, small activities and talks. The room can also be used as a dining area for courses that require external food catering.

Equipped with tables, chairs, a large TV for display, a ceiling mounted date projector and mobile pin and white boards for open discussions, The Holt room is a versatile and flexible training facility.

4 HOLT ROOM

85 sqm

25 people

CARING FOR THE ENVIRONMENT

Our outdoor ethos of “Leave no Trace” holds a great importance to us, even indoors! We are committed to keeping our centre as eco-friendly as possible, utilizing roof based solar power to minimize our energy usage. Single use plastic is not welcome at our centre and we encourage our visitors to bring re-usable bottles and cups.

STAFFING AND SUPERVISION

Whilst our corporate courses are designed and delivered by our internationally experienced Outward Bound instructors, we are flexible to our client’s needs and can accommodate any specific training request, such as co-created programmes with your training and learning department.

RATES

As we tailor-make each course, rates would be subject to the number of rooms you require, meals requested, as well as instructors.
