

OUTWARD BOUND OMAN'S

# Desert Training Centre

Experience the beauty of the  
**Endless Dunes**  
at Outward Bound Oman's Desert Training Centre.

Roughly two hours' drive from Muscat, our Desert Centre offers an unparalleled opportunity to disconnect from the busy modern life, immerse in nature and embark on a transformative journey of personal and professional growth. The centre was opened in 2018 by His Majesty Sultan Haitham bin Tarik, and won the Dossier Construction Industry Award for best sustainable building.

## Key Features

- Learning Rooms
- AV Theatre
- Outdoor Pavilions
- Firepit
- Fully Equipped Kitchen
- Equipment Stores
- Prayer Rooms
- Amphitheatre
- Accommodation

### Caring for the Environment

We prioritize sustainability and environmental conservation. Our centre was built with extra thick South facing walls and small tinted windows to minimize heat entry and keep it cool inside. Solar panels generate power for the centre. LED lights, timer switches and timer taps all keep energy and water use to a minimum. We also encourage visitors to bring reusable bottles and cups to reduce single-use plastic waste.

# Learning Rooms

## Holt Room

The Holt room serves as both a classroom and indoor dining space for up to 50 people. It has a communal self-catering kitchen that is fully equipped with modern appliances for groups to prepare and serve their own meals or as a catering option.

The AV Theatre is perfect for seminars, speeches, events, and presentations.

## AV Theatre

The Audio-Visual room (AV) provides a theatre experience with high-quality audio-visual systems. The room can accommodate up to 40 people in a tiered seating arrangement.

## Majlas

The Majlas is a captivating room that embodies the rich heritage and traditional charm of Arabic desert culture and features traditional ground seating adorned with vibrant cushions and rugs, providing a cosy and comfortable setting for up to 20 people.

## Hahn Room

The Hahn Room is a dedicated training room/workshop, with projector, mobile whiteboards and pinboards, with seating for 40 participants. The seating arrangement of the room can be adjusted to serve the purpose of the use.

# Outdoor Shaded Areas

## Amphitheatre

An open outdoor theatre seating up to 100 people to accommodate large groups-great for whole group sessions.

## Firepit

The Firepit provides a great space for story telling reflective moments and a relaxing place to bond.

## Pavilions

The Centre has four color coded outdoor shaded pavilions that can act as flexible break-out spaces, discussions and activities-ideal for smaller groups.

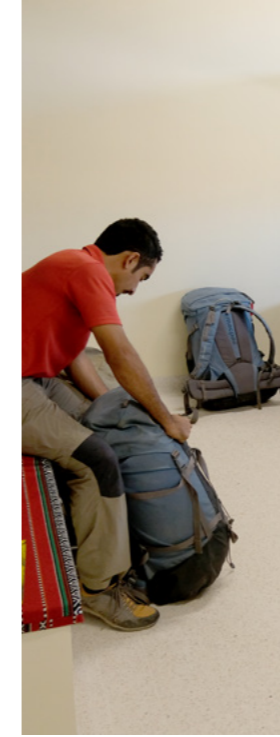

The pavilions and sleeping decks are shaded using local Omani materials made from the palm tree to make them convenient to use during day time.

## Sleeping Decks

Two sleeping decks provide unrivalled views of the stars and a truly memorable desert experience.

# Accommodation

## Male Wing

Consisting of three rooms, **Raven, Polaris, and Thuraya** (each sleeps up to 10 people in bunk beds).

## Female Wing

Consisting of two rooms **Desert Locust and Desert Eagle Owl** (each sleeps up to 10 people in bunk beds).

Our centre offers comfortable dormitory accommodation for up to 60 individuals in simple alpine sleeping platforms, plus an option for 20 individuals to enjoy sleeping under the stars.

## Staff Rooms

Consisting of three rooms, **Scorpion, Andam, and Bat'ha** (each sleeps up to 4 people in bunk beds for supervisors and instructors).

# Other Services

## Staffing and Supervision

While bespoke schools/corporate groups courses on all levels are delivered by internationally qualified Outward Bound instructors, we are flexible to our clients needs and can accommodate any specific training request or centre use.

## Safety Procedures

We prioritize your safety and have implemented various measures:

- Safety emergency exits are clearly displayed in every room.
- Fire alarms and sensors are installed throughout the centre, detecting both smoke and smells.

## WiFi/Connection

Whilst the majority of the centre offers the opportunity to disconnect from the hectic pace of modern life with no Wi-Fi connections available, phone signal can be reached from the roof of the building.

## Rates

Rates will be subject to each request and will be inclusive of transport, all meals, insurance, equipment, as well as the unforgettable and unique experience. By supporting our center, you not only contribute to the development of individuals, but also indirectly generate funds for our programs and initiatives. Together, we can make a positive impact on the lives of young people.
