

Cyber Security and Online Safety Information

October 2022

Tracy Coates, Senior Community Safety Officer, Derbyshire County Council and Samantha Hancock, Cyber Protect Officer, Derbyshire Police, have very kindly shared the following information with the Digital Support Derbyshire Network

Digital MOT

This is a free self-assessment tool that will help you and your service users to protect yourselves when using your personal devices etc. Access the Digital MOT via www.saferderbyshire.gov.uk/mot. If you would like some credit card sized leaflets about the Digital MOT for your project, please contact Tracy by email. Tracy.Coates@derbyshire.gov.uk

Cyber Security Toolkit

Derbyshire County Council have developed a Cyber Ssecurity Toolkit for voluntary groups and charities. You can access the toolkit via this link www.saferderbyshire.gov.uk/toolkit

Awareness Raising Information Sessions

Samantha Hancock is very happy to deliver Cyber Security and Online Safety Awareness Raising Information sessions to your staff, volunteers and service users. Please contact Samantha directly to discuss your needs. Samantha.Hancock@derbyshire.police.uk

Information Leaflets

Samantha can also provide your project with copies of the following.

[Cyber Safety Overview for the Public](#)

[Scam Protection Leaflet](#)
